Rev. Dr. Barbour Preached Yesterday to Grand Army Men.

Yesterday morning at 10:30 members of the G. A. R. to the number of forty attended Memorial Service at the First Presbyterian Church, when the Pastor, Rev. Dr. John Barbour, preached an eloquent and appropriate sermon. His theme was along the lines of an enlarged patriotism, or a National conscience that would prompt every citizen to love his whole country for its greatness and its goodness.

The music was specially selected, and the singing by the quartette, Mr. and Mrs. J. F. Barbour, Miss Florence Hays and Mr. Robert A. Cochran, was exceptionally fine.

The Church and rostrum were beautifully decorated with the National colors and with flowers.

STAND FROM UNDER!

The Auditor's Agent Takes a Whack at Charitable Institutions.

Auditor's Agent Watson is no respecter of persons, for

All dollars look alike to him!

He contemplates suit in the County Court, praying judgment against DeKalb Lodge No. 12, I. O. O. F., for something short of a quarter of a million dollars, for alleged personal property alleged to have been omitted for taxation for the past five years.

In other words, he prays for judgment against \$40,000 in personality for each of the years 1898, 1899 and 1900, or \$120,000 in all, and \$30,000 for each of the years 1901-2, against or \$60,000 in all, making a grand total of \$180,000, on which he wants taxes and an added penalty of 20 per cent. to pay for the fun the boys will have defending the suit.

Mr. Watson also goes after Ringgold Lodge of Oddfellows, claiming a "surplus" of \$10,000 for several of the aforesaid years.

His Attorney is W. O. Davis.

UNLUCKY CARLISLE!

Once Again Visited By Fire, This Time With Serious Results.

Carlisle on Saturday had another sad visitation from fire, this one attended with serious results.

The Graded School Building, erected in 1891 at a cost of \$25,000, was burned to ashes about 8 o'clock.

The fire was caused by a flame from the furnace reaching the joists and setting them ablaze.

The fire department was powerless, as the gasoline engine turned over and was broken upon its arrival at the scene, leaving only a hand engine and small fire extinguishers.

The Paris fire department responded promptly but could not be of service when it arrived.

In the explosion of gas confined in an upper room the flames burst forth and caught several persons in the hall, who were fearfully burned. Among them were the Rev. F. M. Tinder, E. O. Dorsey, Thomas George, Joseph Day, Scudder Crain, Chief of Police C. C. Dunn and H. R. Ewing.

Scars of persons were hurt by the falling walls, but it is thought no one was killed.

Tinder and Dorsey are the worst injured, and may lose their eyesight. The engine turned over on Mayor Kennedy and bruised him considerably.

The building, which was insured for \$12,500, will be rebuilt as soon as the insurance is adjusted.

Too Great a Risk.

In almost every neighborhood some one has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by J. Jas. Wood & Son, Druggists.

Ray's Rainbow Mixed Paint is guaranteed the best and cheapest.

Mass conventions are to be held July 11th to select delegates to the Republican State Convention on July 15th.

Mr. Riley Owens of the Case case was at Washington Friday. He reports things very encouraging in the case and says there will soon be a distribution of "yellow boys."

Dr. E. H. Mostello, who has had charge of the C. and O. Hospital at Huntington for the past six months, has resigned and has been succeeded by Dr. S. A. Ridd of North Carolina.

James W. Beas, confined in the Fayette County Jail under sentence of death for the murder of Mrs. Martha Martin, tried to commit suicide Friday by hanging himself. Saturday's Portsmouth Blade says Miss Florence P. Wadsworth of this city, whose singing delighted the Second Presbyterian Church people so much when she was there a few weeks ago, has accepted an engagement to sing in that Church every Sabbath.

Miss Wadsworth is an unusually fine singer, and her solos will be an important feature in that service hereafter.

This is the Rev. Dr. S. R. Alderson's Church, and it was through his influence that Miss Wadsworth was induced to accept the invitation to sing for the congregation during the months of June and July.

TELEGRAMS from the New York stock market announce that \$6,000,000 are to be expended in the construction of the Eastern Indiana traction lines, which will connect Marion, Ind., with Hamilton and Cincinnati. If we had just about \$280,000 of that sum what a beautiful trolley-line could be built between Maysville and Mt. Olivet.

THE diversity of climate in this country is forcibly illustrated by a telegram from Great Falls, Mont., under date of May 20th, which says the heaviest cattle and sheep loss in the history of Montana, the damage of which will foot up as high as \$5,000,000, has been caused by the terrible snow storm which has been raging for the past three days. Covering the same dates the weather in this section was nearly hot enough to melt the legs off an iron pot.

THE "trick" lawyer has struck a tough proposition at Winchester. Another evidence of the desperate determination of CURTIS JETT to get back to Jackson was shown in the attempt to get him out of Jailer Boone's hands by serving another warrant on him. Attorney STEVENSON presented to Sheriff McCorn a warrant, sworn out at Jackson by 'Squire EDWARDS, charging "murder in Breathitt county." McCorn presented it to BOONE, but he refused to surrender JETT. STEVENSON then had BOONE brought into Court to show cause why he would not give him up. The Court gave BOONE till June 4th to answer, thus checkmating the plans of JETT's Attorneys. The return of JETT to the jurisdiction of Judge RENNIE would mean his immediate and triumphant acquittal, no matter what the proof of his guilt.

Too officious officials in Maysville, Ky., refused a fond couple a marriage license. Why? Simply because, as claimed, they were too old, he being ninety and she shy fifty-three. This is simply intolerable; and in Kentucky, too.—Times-Star.

The Cincinnati brother is wading in deep water. He should have consulted THE LEDGER, or his own paper's dispatch from this city, for the real reason. True, the extreme youth—not the mature age—of the couple was pleaded in extenuation; and then the fact that neither of the lovers possessed as much as thirty cents toward paying for the license may have tended to influence the Clerk in his refusal to hand over the papers; but the real substantial reason was that both were occupants of the County Infirmary, already dependent upon public charity, and the authorities were not willing to risk an increase in the number.

At the last trial of CALEB POWERS his Attorneys filed the statutory affidavit requiring Judge CANTRILL to vacate the Bench. That bull-headed individual refused to obey what was the plain law in the premises. The trial proceeded, and CANTRILL, aided by TOM CAMIL and a solidly Goebel Jury, convicted Mr. POWERS. The Court of Appeals was then Republican, four-to-three; and to that Court the case went, with the result that Mr. POWERS was awarded another trial, mainly on the ground of Mr. CANTRILL's refusal to step down and out. A few days ago, when Court opened for the third trial of POWERS, his Attorneys again moved that CANTRILL get off the Bench. In the whirligig of politics the Court of Appeals had now become Democratic by five-to-two; and in the hope that the new Court would be as rankly partisan as he himself was, the old bull-head again refused to vacate—in fact, overruled and set aside entirely the highest Court in the state. And he actually demanded that Mr. POWERS's Attorneys should get an opinion from the Democratic Court of Appeals as to his right to occupy the Bench. This they refused to do; but their refusal forced the Commonwealth to apply for such an opinion. And now comes the aforesaid Democratic Court of Appeals and says that CANTRILL must get off the Bench, and that Mr. POWERS must be tried by another Judge. All honor to the Judges of the Court, who, though Democrats, appear to be non-partisan. All shame to CANTRILL, who has shown himself nothing but a political Judge.

CERTAIN WILL THE HARVEST BE!

For all of those who have been fortunate enough to secure a Minnie Binder or Mower

LUCK WAS WITH YOU!

The day that you secured a Minnie. YOU CERTAINLY WERE WISE in refusing to listen to the voice of the nightingale—those silver-tongued orators employed by the Binder Trust to argue you into paying \$20 more for an inferior machine.

MOTHER WIT is the BEST GUIDE!

Exercise the good judgment that the Lord gave you. Do your own thinking. Allow no man with a smooth tongue and a heart full of untruths to talk you into an extra cost of \$20.

LIKE WATER UPON A DUCK'S BACK

You allowed their smooth, oily misrepresentations to pass from your mind.

A Few Short Weeks Will Prove How Wise You Were

They will see the Minnie Binder in your field doing nicer work with less horse power than theirs, and will no doubt think of the good judgment that you displayed in saving \$20.

THE BEAUTIFUL AND WINSOME MINNIE!

Is in Mason county upon a ten-year contract. In the next ten years we will prove to every one how expensive it is to listen to slick-tongued strangers sent here by a greedy, grasping Trust to waylay the unwary.

MINNIE IS IN THE LEAD!

And she is going to stay there for ten years at least. We are your friends and will treat you right. Come and see our charming Minnie Binder and Mower.

The Otto Marmet was let off the Queen City Marine Ways Saturday and took a tow above. Her place on the Ways was taken by the M. P. Wells, the Chilo packet, and the Lotus, a little boat owned by Captain T. J. Jackson. The Wells will receive a thorough overhauling.

The rains of Thursday night were much welcomed by river men, who are in hopes that the June rises will arrive on time as in former years. The river is very low above, and there are no boats moving, except the harbor boats in the pool above Davis Island Dam and from that point to as far down the river as Wheeling.

There is report out that the hull of the old packet Chickasaw is infested with snakes and crocodiles, which got aboard when that steamer sank in the Mississippi river some time ago. The wreck was purchased by C. Jutte & Co., and she was raised and towed to Jeffersonville, Ind., where she will be dismantled and her machinery used on a new towboat which Capt. Ed Howard is building for the above firm.

People Who Can't Sleep.

Many people go to bed—not to sleep, but to think—to tumble and toss—to get up, walk about until tired Nature gives way and a few fitful hours of sleep are obtained just before dawn—a sleep that does not rest—a sleep from which one wakes weary and tired, wholly unfitted to take up the daily routine of household, shop or office duties. That this condition goes on uncared for is almost criminal, when the well-known, time-tried and tested powers of Dr. A. W. Chase's Nerve Pills to give restful natural sleep have been so fully proven in such cases.

Mr. F. Jones of No. 107 Union street, Maysville, Ky., says:

"I was troubled with nervousness, sleeplessness and dizziness. Hearing of Dr. A. W. Chase's Nerve Pills I decided to try them. I got a box at Chenoweth's Drugstore and as a result of their use my nerves are again steady, I sleep well and have no more of those distressing dizzy spells. I can truthfully recommend this medicine as an excellent nerve tonic."

Say Hypnotism Won't Cure.

From Berlin comes the report that the commission of experts in mental diseases, appointed by the Ministry of Education to investigate the healing value of Hypnotism, pronounces it essentially worthless. In 1902 a commission of 8,750,000 people in every part of the civilized world declared that Dr. Birkland's Vegetative Compound is a positive cure for Rheumatism, Catarrh, Constipation, Nervous Troubles, palpitation of the heart, indigestion, dyspepsia, kidney and liver trouble and all diseases of the blood. DECORATE THE GRAVES.

Effort to Have Coming Decoration Day a Memorable One.

There is a desire on the part of those having the matter in charge to interest our citizens in a general observance of Decoration Day on Saturday, May 30th.

As is perfectly proper in the premises, the veteran soldiers of the Civil War have taken the initiative, and invite the entire citizenship to join with them in making this a memorable occasion.

Who that has a loved one in our beautiful Cemetery will not pay the slight tribute of placing a few flowers on the grave?

Members of the various Fraternal Orders are invited to participate by the decoration of the graves of their departed brethren, and it is hoped that there will be a generous response to the invitation.

A Committee from Joseph Heiser Post, G. A. R., will decorate the graves of the Federal dead; and if there be found the neglected grave of a Confederate, it too will be remembered—not because its occupant was a Confederate, but because he was a brave American soldier.

Colonel D. W. McClung, one of the most scholarly men in the Ohio Valley, will deliver the address at Dieterich's Park at 2:30 o'clock p. m., and it is sincerely hoped that there will be an attendance worthy of the distinguished speaker and commensurate with the occasion. The Redmen's Band has been engaged for the afternoon and there will be splendid vocal music as well.

Both Cemetery Companies are bending every effort to have their grounds in perfect order for Decoration Day. Every one who will kindly contribute a small sum to aid the Grand Army boys in defraying the expenses for music, speaker etc., in order to make the day everything that it should be, will please send their subscriptions to THE LEDGER office, and they will be promptly acknowledged.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
